

WOODSIDE VALLEY
FOUNDATION
 PRESERVING WESTERN AUSTRALIA'S HERITAGE

'The Road from Delphi' is a must for all past and prospective entrants of the Todhunter Literary Awards, containing as it does full critiques and commentaries on all past winners from 1994 -2002 by inaugural judge the late Professor Leslie R. Marchant AM. With a foreword by well known West Australian identity Hal GP Colebatch this book outlines the methods used to create the shortlists and the factors that influenced each of the final judgements.

Professor Leslie R. Marchant AM was a member of the Department of History at the University of Western Australia and a Professor at the University of Notre Dame Australia. An eminent scholar and author, particularly of the influence and scientific discoveries of the French on the Western Australian coastline, Professor Marchant was a founding patron and historical adviser to the Woodside Valley Foundation. This Foundation has a profound interest in the preservation of the early maritime history of Western Australia thus in preserving Leslie Marchant's historical work. It is pleased to have a role in the continuation of the traditions of the Todhunter Literary Award. Proceeds from the sale of 'The Road from Delphi' will go to benefit the family of the late Professor Marchant and the Woodside Valley Foundation.
